5 Charged with Possession of Burglary Tools

On March 15th Bloomington Police stopped a Toyota Minivan bearing stolen license plates. The vehicle was occupied by 5 individuals from Texas. The vehicle was impounded and an inventory search revealed tools as well as electronic devices that could aid in the commission of a burglary. The search also recovered lists of addresses throughout the metro area. The officers recalled a recent FBI Bulletin that had alerted local law enforcement agencies to a burglary ring out of Texas that targeted Asian and East Indian residences and businesses.

All 5 adults were arrested and held on Possession of Burglary Tools as well as other charges.

This is an on-going investigation and Bloomington Detectives are assisting other agencies where burglaries were committed or attempted and the arrested subjects are potential suspects.
